

**IMMACULATE HEART OF MARY SECONDARY SCHOOL ADABA,  
UZO-UWANI L.G.A  
APPRECIATION MESSAGE**

The Regional Superior Immaculate Heart of Mary congregation Eastern Region.  
(SR. DR. MARY LINDA VINIAN ANUDHA)

On behalf of the management, staff and students of Immaculate Heart of Mary Secondary School, Adaba. I sincerely want to express our unalloyed, profound and heartfelt gratitude to God Almighty who made this special day to come to fulfillment.

Secondly to the congregation of the sisters of the Immaculate Heart of Mary, mother of Christ. For their benevolent and generous spirit.

Shakespeare states and I quote "ingratitude is sharper than the traitor's sword". It's on this platform we want to thank the Almighty Congregation of Immaculate Heart of Mary sisters for their support in alleviating the burden of the school fees to some of our students. It is indeed a charity work and a corporal work of mercy which will forever remain in the memory banks of the students. We will forever remain grateful and indebted to the congregation of <sup>Immaculate</sup> Heart of Mary sisters. We accept the offer with open minds and pray that the good Lord who inspired the congregation to perform these wonderful tasks will replenish you hundred fold through Christ our Lord. Amen.

In this case, let me also use this opportunity to solicit that you extend this charitable work in helping us equip our laboratory. It is not an easy task, but I strongly believe that with God all things are possible.

We have always known your congregation to be very optimistic and outstanding, and we promise never to disappoint you and also that we shall ever remain good ambassadors of the congregation of the Immaculate Heart of Mary sisters, as long as your continual support is guaranteed. It is of great love which you have for us that motivated you to come to us today. And we really appreciate. Because you have shown us this great love, we will forever honour your congregation.

And to the students who are luckily to benefit from this offer, I once more congratulate you and ask you to utilize this opportunity. So at the end you will have a cause to glorify the Lord.

To those who are yet to benefit in this regard, we should not disheartened but we should pray, work hard and anticipate that one day we will be favoured.

We also thank all our guests who deemed it feat to come and celebrate with us not minding global economic meltdown and dearth of infrastructural facility which characterized the whole of Uzo-Uwani and Adaba in particular. You have distinguished yourself as a friend indeed to have weathered the environmental storm to be here.

As you journey back to your various destinations, may God Almighty grant you journey mercies in Jesus name. Amen.

Long live the Congregation of Immaculate Heart of Mary sisters.

Long lives our amiable principal (Sr. Mary Blessing Agulanna) (HM)

Above all, we thank in a special way, Caring Aids Sisters of Immaculate Heart of Mary philanthropic Development and mission office Birmingham U.K.
